the property of

J. C. Manning, *Skidmore, Mo.*

VILLAGER JR., one of the greatest sons of Imp. Villager. Nearly all of the cattle in this sale are closely descended from Villager, many of them through this bull and others through the other great son, Village Perfection, that was used in the F. C. Barber herd.

To be Held at The Manning Farm near

SKIDMORE, MISSOURI

PLEASE BRING THIS CATALOG TO THE SALE

The Announcement

The J. C. Manning herd has been developed from five excellent foundation cows that were purchased from the well known herd of F. C. Barber & Son several years ago. A study of this catalog will show how prolific those cows have been and how their tribes have multiplied. A few other females, all choice specimens and equally as well bred as the original foundation cows, have been added from time to time.

One of the most attractive features of this sale is the large number of cows that will be sold with calves at foot. It is well known that the most profit is to be made from the purchase of a cow with a good calf at foot and bred again to the sire of that calf. Many such lots will be found listed in this catalog.

The bulls that have been used in this herd have all been excellent sires. Three of them are still in the herd and will be sold in this sale. The footnotes under their pedigrees tell to what extent they have been used and the number of their offspring that are to be sold. The sale offers an exceptional opportunity to buy good, tried sires.

The price of Shorthorns is going up rapidly. Most of those who buy cows and calves in this sale, will be able to sell the calves, within a year, for as much or more as they will have paid for the pair and they will have another calf by that time.

Now is the time to buy. This sale offers an unusual opportunity to buy first class cattle in good thrifty working condition. You will profit if you will come to the sale on Wednesday, November 6 and buy some of these cattle.

WILL JOHNSON of The Shorthorn World.

General Information

LOCATION—The sale will be held on the J. C. Manning farm about two and a half miles south-west of Skidmore, Missouri. Skidmore is on State Highway No. 113 about forty miles west of St. Joseph, Missouri and about fourteen miles south-east of Maryville, Missouri. It is on a good gravel road that connects with the paved highways U. S. 275 and U. S. 71.

TERMS—The terms of the sale are cash. Settlement to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but will be loaded, free of charge, on trucks at the farm or the railroad at Skidmore.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished with each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if not used for service before they are fourteen months of age and if properly cared for and not if allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made in writing within ninety days of the date of this sale.

BIDS—Those wishing to buy who cannot be present at the sale may leave with or send their bids to Will Johnson of the Shorthorn World, Frank Richards of The Corn-Belt Dailies, J.E. Halsey, the auctioneer, or to J. C. Manning, owner.

The sale will start promptly at one o'clock
